President & CEO's Summary

On behalf of the Board of Trustees of the Oklahoma City Museum of Art, members of the staff, volunteers, and friends, I am pleased to provide this report to you on the accomplishments of the fiscal year 2009-2010.

All departments of the Museum contribute to the creation of the annual report; and it provides a quick and easy to read perspective on what is happening at the Museum. I encourage you to take a moment to review the many great programs and events produced in service to the community and with the support of so many generous individuals, foundations, and corporate sponsors.

It is with great pleasure that I announce to you that the Oklahoma City Museum of Art was recently re-accredited by the American Association of Museums! This is an important milestone for the institution and a great honor. Accreditation recognizes a museum's commitment to excellence and professional standards of operation achieved through an ongoing process of learning and improvement. This achievement underscores the superb teamwork of board and staff and recognizes effective action in museum practice at all levels of the institution's operations as well as ethical behavior in stewardship and governance.

As the Museum continues to grow and evolve, one of the central principles that we embrace as an institution is accessibility across the spectrum of our local and national community. With that vision for the future in mind, the Museum has worked tirelessly to reach out, and invite in, community members who have yet to experience OKCMOA and our many friends who continue to support this great organization. One of these efforts was the Blue Star Museums initiative, which provided free admission to active duty military personnel and their families from Memorial Day to Labor Day. It was an amazing success locally and across the United States of America and served many thousands of military families at over 920 participating museums.

A selection of inter-related programs that you will read about in this report continued our work to provide broad access to the Museum. Each program area recorded record breaking attendance and community participation. We engaged in new collaborations; launched a new series for contemporary art; advanced our work to organize and curate exhibitions internally; presented a broad spectrum of film screenings that resulted in the film program's best year ever; announced \$5 After 5p.m. on the Museum's roof terrace, which provided an exciting mix of social and cultural experiences after hours; and worked to incorporate the full Museum experience so that friends could delight in the rich permanent collection holdings while engaging in fine dining, special events, lectures, temporary exhibitions, shopping, and more.

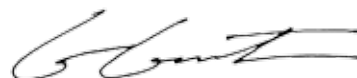

We welcomed numerous visitors to a fine range of educational opportunities including film camps and docent-led tours, studio art classes, family days, and the amazing Yellow Bus Brigade program, which brings thousands of school children to the Museum each year for fun and important learning opportunities through an interdisciplinary educational approach in collaboration with schools and teachers throughout Oklahoma City and beyond.

The wonderful service and support provided by the Museum's board leadership, our members, staff, and hundreds of volunteers made it possible for us to continue to deliver our mission to enrich lives through the visual arts and thus contributed to improving the quality of life in Oklahoma City and beyond.

Thank you for your unwavering commitment to the Oklahoma City Museum of Art and for your generous support throughout each year.

I look forward to seeing you again soon.

Sincerely,

Glen Gentele
President and Executive Officer

Film Audience

EXHIBITION

For the first time in the film program's history, OKCMOA recorded more than 20,000 film admissions with a 27% increase in box office revenue compared to the previous year. For the third consecutive year the film program presented more than 300 screenings of international, independent, and classic films. Three of the top grossing films of the year dealt with the fashion industry: *Valentino: The Last Emperor*, *Coco Before Chanel*, and *The September Issue*. Other box office hits included *Food Inc.*, *Good Hair*, *An Education*, *A Single Man*, the ever popular 2010 Oscar Nominated Short Films, and *The Girl With the Dragon Tattoo*.

The film program established two new international collaborations this year. "Cinéma Français Today" showcased eight new French films and kicked off on Bastille Day with a wine and cheese tasting in the Museum Cafe. Several films were provided by the Consulat Général de France, Houston. The Taipei Economic & Cultural Office, Houston, also copresented two screenings of Taiwan's all-time top grossing film *Cape No. 7*, followed in October by a reception and film series, "The Early Films of Ang Lee." A new thematic program this year was "Sustainability on Film," seven new feature films, and a panel discussion about the intersection between the environment, economics, and human culture, copresented by Sierra Club, Slow Food OKC, Sustainable OKC.

The "Native American Cinema Showcase," copresented with the American Indian Cultural Center & Museum, featured two popular films made in Oklahoma—*Barking Water* and *Pearl*—as well as a screening of several emerging Native American filmmakers. Other thematic programs included "French Animation Showcase;" the annual "Film Preservation Festival," honoring the centennial of the birth of Akira Kurosawa; "New Jewish Cinema;" "Interesting People 1.0;" and the "Sketch to Screen Film Festival" in conjunction with the gallery exhibition *Sketch to Screen: The Art of Hollywood Costume Design*.

EVENTS

To celebrate OKCMOA's acquisition of the Dorothy and Herbert Vogel Collection: Fifty Works for Fifty States, the film program presented the acclaimed documentary *Herb & Dorothy*, followed by a gallery talk led by Alison Amick, curator for collections. Doug Bentin, Oklahoma Gazette film critic, introduced a special screening of *The Maltese Falcon*, in collaboration with the Metropolitan Library System.

Native American Cinema Showcase

The film program presented sneak previews of new theatrical releases *Julie & Julia* and *The Young Victoria*, as well as music documentaries *The White Stripes: Under Great White Northern Lights* and *Bruce Springsteen & The E Street Band—London Calling: Live in Hyde Park*, with sponsorship (free beer!) from Stella Artois.

Several screenings featured visiting filmmakers such as Blayne Weaver with *Weather Girl*, Bradley Beesley with *Sweethearts of the Prison Rodeo*, Ben Steinbauer with *Winnebago Man*, Joe Winston with *What's the Matter with Kansas?*, and a special live Q&A with Francis Ford Coppola via Skype after his latest film *Tetro*. Special guest Deborah Nadoolman Landis, costume designer, scholar, educator and author, introduced

Deborah Nadoolman Landis

the opening night screening of the "Sketch to Screen Film Festival" with *The Three Amigos*, which features her costume designs. The sixteen-week Sketch to Screen film series was the longest thematic program ever presented at OKCMOA.

The 10th deadCENTER Film Festival was headquartered at the OKCMOA. Over four days, deadCENTER held eight screenings in the Noble Theater. Film curator Brian Hearn led a panel discussion after the screening of *For the Love of Movies: The Story of American Film Criticism*. The panelists were three guest film critics: Pete Von Der Haar from Houston, Elvis Mitchell from New York City, and Gerald Peary from Boston. The Museum honored former director Carolyn Hill with a day of events that included a screening of her favorite film, *Fried Green Tomatoes*. The last weekend of the fiscal year saw classical pianist Miho Fisher do a live musical performance on the Steinway prior to the documentary *They Came to Play*.

Education & Public Programs

During the fiscal year 2009-10, the Oklahoma City Museum of Art organized and presented 1,890 educational activities and events. These programs—presented both at the Museum and in schools, community/senior living centers, libraries, and other locations throughout the Oklahoma City metro area—involved 20,675 participants.

MUSEUM SCHOOL

Museum School, which offers formal visual arts instruction to adults and children, served more than 1,800 students in over 200 classes, workshops, and camps.

ADULT PROGRAMS

Just over 1,200 adults benefited from the Museum's travel tour program, lectures, and Last Call events this past season.

FAMILY PROGRAMS

The Museum's family programs reached just over 4,000 children and adults with exhibition-themed Family Day events, informal Drop-in Art activities, Discovery Packs activity backpacks, and Gallery Stories, offered in partnership with the Metropolitan Library System.

OUTREACH

The Museum provided several outreach programs throughout the community for senior adults, children, teens, and families and strengthened partnerships with organizations such as Oklahoma City Philharmonic, City of Oklahoma City Parks and Recreation Department, Metropolitan Library System, and the Arts Council of Oklahoma City. A total of 3,500 participants benefited.

TOURS

Fifty-one volunteer docents donated approximately 700 hours in training and tours. Six new docents were recruited and trained. The Museum's Yellow Bus Brigade scholarship program, funded in part by a challenge grant from the Inasmuch Foundation, provided free admission and busing to 3,864 students from across the state.

- 2 Audio Tours with 739 users by OnCell and 2,179 users by audio wands

SCHOOL AND TEACHER PROGRAMS

The Museum offered two events for educators, the Teacher Workshop and Educators' Evening. Both programs presented information on exhibitions and the permanent collection at OKCMOA, as well as classroom connections with hands-on activities and suggested lesson plans that meet PASS and CORE CURRICULUM requirements in the areas of Visual Arts, Social Studies, and Language Arts.

For students, the Museum, in conjunction with the Oklahoma Art Education Association, sponsored its third Portfolio Day on January 15, 2010, which was open to all Oklahoma junior and senior students. Representatives of art faculties from Oklahoma and other regional colleges and universities evaluated students' portfolios in preparation for admission and scholarship applications.

The Museum placed twenty-six college students—recent graduates and graduate students—in the Internship Program, serving Curatorial, Film, and Education departments. New this year, three undergraduate students served in paid internships as preparatory assistants for the installation of the first exhibition in the New Frontiers: Series for Contemporary Art, *Jason Peters: Anti.Gravity.Material.Light*.

RENAISSANCE BALL

The 34th annual Renaissance Ball, "An Evening in Provence," was held Friday, September 11, 2009, at the Oklahoma City Golf & Country Club. Inspired by the Museum's exhibition, *Turner to Cézanne: Masterpieces from the Davies Collection, National Museum Wales*, the traditional black-tie event raised \$280,000 for Museum operations. More than 450 guests dined amid the festive atmosphere of Provence and danced to the lively music of Banana Seat. Chaired by Suzette & S. Kim Hatfield, the ball honored Honorary Chairs Lil & Bill Ross, longtime Museum patrons. Sponsorship chairs were Tina & Elby Beal, Denise & Ron Suttles, and Pam & Lyndon Taylor. For the first time in ball history, the Patron Party was held at the Oklahoma City Museum of Art, allowing guests to experience the masterpieces in *Turner to Cézanne: Masterpieces from the Davies Collection, National Museum Wales*.

In addition to the main and theater lobbies, the sold-out event offered seating on the roof terrace at the Stella Artois Rooftop Beer Garden, sponsored by Premium Beers of Oklahoma. More than 650 guests not only sampled an array of unique brews but also enjoyed live music in the lobby by the Brice Benson Band and visited the special exhibition, *Turner to Cézanne: Masterpieces from the Davies Collection, National Museum Wales*. The event was held on Friday, October 9, 2009, and raised \$42,945 for Museum exhibitions.

BEAUX ARTS BALL

The 64th annual Beaux Arts Ball was held Saturday, November 28, 2009, at the Oklahoma City Golf & Country Club. A debutante presentation of the Beaux Arts Society, the ball benefits the Oklahoma City Museum of Art's Beaux Arts Acquisition Fund. This year, the Beaux Arts Committee donated \$40,000 to the fund, which is responsible for the acquisition of 25 works from 22 artists. The first work purchased in the Beaux Arts Collection was Rembrandt's 1643 etching *Raising of Lazarus*.

Support

Through the generosity of members and donors, the Oklahoma City Museum of Art is able to fulfill its mission to enrich lives through the visual arts. The Museum has a special role in public education, centered on its capacity as an interactive place to better understand culture and the art of our time. Every donation given helps ensure the Museum continues to thrive as a dynamic institution in Oklahoma.

Retail

MUSEUM STORE

The Museum Store ended the fiscal year with \$261,000 in sales. Popular items such as gallery umbrellas, art books, jewelry, and unique home and office gifts, as well as the *Chihuly Oklahoma City Museum of Art* book continued to lead store sales. Additionally, the store began opening seven days a week, increasing its days and hours of operation to include Mondays, from 10 a.m. to 3 p.m., and extending hours on Thursdays, during Art After 5 p.m. The store also continued to offer gift cards, personal shopping, special orders, and shipping worldwide.

MUSEUM CAFE

During 2009-2010, the Museum Cafe made over \$1.2 million in total sales, a decrease of approximately \$200,000 from last year attributed to the economy. Sunday's brunch and lunch menus continued to be popular offerings. Toward the end of the fiscal year, *Sketch to Screen* drove sales, consistently drawing lunch crowds of 250 or more people. Monday luncheon services, Tuesday through Saturday luncheon and dinner services, as well as special dinners, wine tastings, holiday carry-out orders, and catering services served over 62,000 people, with approximately 65% of that number being repeat customers. Inside catering services, including rehearsal dinners, anniversary parties, private parties, and large seated dinners, as well as restaurant services for tour groups continued to be successful offerings.

Cocktails on the Skyline experienced its most successful season to date. The Art After 5PM program with \$5 general admission after 5 p.m. drew record crowds to the Museum's roof terrace on Thursday evenings. The Museum Cafe continued to offer its Afternoon Tea service, with private teas, birthday parties, and special "dress-up" occasions for young girls. Dinner and a Movie packages and catering for many Museum events continued the strong partnership of Museum and Cafe.

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Oklahoma City Museum of Art, Inc.

We have audited the accompanying consolidated statements of financial position of Oklahoma City Museum of Art, Inc. and Subsidiaries (OKCMOA) as of June 30, 2010 and 2009, and the related consolidated statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of OKCMOA's management. Our responsibility is to express an opinion on these financial statements based on our audits. The summarized comparative information for the year ended June 30, 2009, has been derived from the OKCMOA's 2009 financial statements and, in our report dated October 29, 2009, we expressed an unqualified opinion on those financial statements. The summarized comparative information for the year ended June 30, 2008, has been derived from the OKCMOA's 2008 financial statements and, in our report dated September 30, 2008, we expressed an unqualified opinion on those financial statements. Hogan & Slovacek P.C. audited the financial statements of OKCMOA for the year ended June 30, 2008, and merged with Tullius Taylor Sartain & Sartain LLP to form HoganTaylor LLP effective January 1, 2009.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OKCMOA's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of OKCMOA as of June 30, 2010 and 2009, and the consolidated results of its activities and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The accompanying supplemental information detailing the consolidating statement of financial position as of June 30, 2010, and the consolidating statement of activities and changes in net assets for the year then ended are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements. This additional information is the responsibility of OKCMOA's management. Such information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and, in our opinion, is fairly stated in all material respects to the basic consolidated financial statements taken as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2010 and 2009

Note 1 – Organization

The Oklahoma City Museum of Art, Inc. (the Museum) is a privately-funded museum located at the Donald W. Reynolds Visual Arts Center. The three-story, 110,000 square-foot Visual Arts Center features 15 galleries showcasing the Museum's collections, temporary exhibitions organized by the Museum, and world-class traveling exhibitions. It offers the only comprehensive film program in the region. The Museum is accredited by the American Association of Museums and is an Allied Arts Member Agency. The Museum's mission is to enhance lives through the visual arts.

The Donald W. Reynolds Visual Arts Center, funded in part by a \$14.5 million capital grant from the Donald W. Reynolds Foundation, Las Vegas, Nevada, is part of the Museum's completed \$40 million project to fund the new Visual Arts Center expansion and endowment. The project was completed through private funding and was not a part of the Oklahoma City MAPS sales tax program. The Museum received significant funds from the general public and from private foundations.

The Museum is the sole owner of the Museum of Art Cafe, Inc. (the Café). The Café is located in the Donald W. Reynolds Visual Arts Center and provides full-service lunch and dinner in a casually elegant dining atmosphere.

The Museum is the sole owner of Museum Parking, LLC, which was formed on January 28, 2009, to acquire a parcel of land functioning as a parking lot in the vicinity of the Museum. Museum Parking, LLC leases the parking lot to a third-party operator.

Note 2 – Summary of Significant Accounting Policies

Consolidated financial statements

The consolidated financial statements of the Oklahoma City Museum of Art, Inc. and subsidiaries include the accounts of the Museum, the Café, and Museum Parking, LLC (collectively OKCMOA). All material intercompany transactions have been eliminated.

Basis of accounting and reporting

The consolidated financial statements of OKCMOA are prepared on the accrual basis of accounting. Separate funds are utilized to account for the Museum's various activities. The assets, liabilities and net assets of OKCMOA are reported as follows:

- Unrestricted net assets represent the portion of expendable funds that are available for support of OKCMOA operations. At June 30, 2010 and 2009, unrestricted net assets of \$2,552,567 and \$2,395,307, respectively, were designated for specific purposes by the Museum's Board of Trustees.

- Temporarily restricted net assets represent funds with donor-designated restrictions for acquisitions, capital campaign funds, maintenance of art objects or specific programs.
- Permanently restricted net assets represent funds that are subject to donor-designated restrictions requiring the principal to be invested in perpetuity.

Cash and restrictions

Cash consists of cash on hand and deposits in banks. OKCMOA maintains its cash balances in high credit quality financial institutions. At times, OKCMOA's cash may exceed federally insured limits, but OKCMOA believes any possible credit risk is minimal.

At June 30, 2010 and 2009, cash includes \$545,421 and \$710,287, respectively, of contributions restricted by the donor for specific purposes.

The Westheimer Family Endowment represents funds designated for use in the Museum's programs and operations by the Museum's Board of Directors. At June 30, 2009, the balance of the Westheimer Family Endowment was \$1,000,000 which was included in unrestricted cash in the consolidated statements of financial position. In 2010, the Museum invested these funds in accordance with its investment policy.

Receivables

The Museum has receivables, reflected as grants and accounts receivable, grants and accounts receivable with restrictions, and campaign pledges receivable in the accompanying consolidated statements of financial position, which represent promises to give that have been made by donors, but have not yet been received by the Museum. The Museum provides an allowance for doubtful accounts based upon a review of the current status of its receivables. At June 30, 2010 and 2009, respectively, no allowance for doubtful accounts was deemed necessary by the Museum.

Due to the nature of these pledges, significant increases and decreases in net assets may occur. These significant fluctuations can arise as contributions and are recognized as support in the period in which they are pledged, but the expenses incurred with such contributions may occur in a different period.

Inventories

Inventories, which include products for sale in the Museum store, food and beverage items in the Café, and miscellaneous supplies, are stated at the lower of cost or market determined by the first-in, first-out method.

Investments

Investments, which include money market instruments, equity securities, U.S. government securities, and corporate bonds and debentures, are stated at estimated fair value (based on quoted market prices) with unrealized gains and losses reported in the consolidated statement of activities for the year. Donated investment instruments are initially recorded at estimated fair value at the date of donation.

Property, plant and equipment

Property, plant and equipment is recorded at historical cost or estimated value at date of donation. Depreciation of these assets is provided on the straight-line basis over the estimated useful lives of the respective assets, which range from 2 to 40 years. Maintenance and repair costs are expensed as incurred, while renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon disposition, the cost and related accumulated depreciation are removed from the accounts and the resulting gain or loss is reflected in the consolidated statement of activities for the period.

Art and library collections

The Museum's art and library collections, which were acquired through purchases and contributions since the Museum's inception, are not capitalized and recognized as assets on the consolidated statement of financial position. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired or as temporarily or permanently restricted net assets if the assets used to purchase the items are restricted by donors. Contributions of collection items are not recognized in the statement of activities. Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net assets classification.

Contributions to the Museum

The Museum reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the consolidated statement of activities as net assets released from restrictions. Net assets with restrictions, which are met in the same reporting period as their receipt, are presented as part of unrestricted net assets.

The Museum reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained, the Museum reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

The Museum reports bequests as temporarily restricted support in contributed income when notice has been received and becomes legally enforceable. Once funds are received, bequests are considered available for general use, unless restricted for a specific use or for an endowment fund by the donor.

The Museum records contributions made by donors on their behalf to a not-for-profit organization or charitable trust as an asset, unless the donor has explicitly granted the recipient organization variance power. However, the Museum records contributions made to a not-for-profit organization or charitable trust as an asset regardless if variance power exists, if the Museum has designated itself as beneficiary. Variance power is defined as the unilateral power to redirect the use of the assets to another beneficiary.

Income tax status

The Museum is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. As a result, as long as the Museum maintains its tax exemption, it will not be subject to income tax. Café income taxes are accounted for under the asset and liability method.

The Financial Standards Board issued new guidance on accounting for uncertainty in income taxes. The Museum adopted this new guidance for the year ended June 30, 2010. Management evaluated the Museum's tax positions and concluded that the Museum had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Generally, the Museum is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2007.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires OKCMOA to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentration of credit risk

Financial instruments, which potentially subject OKCMOA to credit risk, consist of grants and accounts receivable, grants and accounts receivable with restrictions, campaign pledges receivable and investments. Credit risk for all of OKCMOA's receivables is concentrated because the majority of the balances are receivable from individuals located within the same geographic region.

The Museum's investments consist of various stocks, bonds and U.S. Treasury notes. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the investment account balances and the amounts reported in the consolidated statements of financial position and the consolidated statements of activities.

Advertising expense

All advertising costs are expensed as incurred. Advertising expenses were approximately \$284,000 and \$359,000 for the years ended June 30, 2010 and 2009, respectively.

Nature of comparative totals for 2008

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Alone, such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Museum's financial statements for the year ended June 30, 2008, from which the summarized information was derived.

Note 3 – Donated Services

OKCMOA has an affiliated volunteer group known as the Beaux Arts Committee which hosts an annual fundraiser benefiting the Museum's Beaux Arts Acquisitions Trust. The Museum recorded contributions from this group of \$40,000 for both the fiscal years 2010 and 2009, which are included in individuals contributed income in the consolidated statements of activities.

A substantial number of volunteers have made significant contributions of their time to develop the Museum's programs, of which no value was assigned.

Note 4 – Grants and Accounts Receivable with Restrictions

Grants and accounts receivable with restrictions are available for the following purposes at June 30:

	2010	2009
Temporary restrictions:		
Exhibit furnishings	\$ 189,263	\$ 248,260
Personnel benefits	500	4,000
Other	26,788	29,353
Permanent restrictions:		
Acquisitions	15,000	25,000
	<u>\$ 231,551</u>	<u>\$ 306,613</u>

Grants and accounts receivable restricted for personnel benefits are from various members of the Board of Trustees.

Note 5 – Investments

In order to ensure observance of limitations and restrictions placed on the uses of the resources available to the Museum, investments are maintained in various funds which are segregated as follows at June 30:

	2010	2009
Investments:		
Young Endowment ⁽¹⁾	\$ 1,066,450	\$ 895,307
Museum Legacy Endowment	(62,503)	(528,210)

	<u>10,404,381</u>	<u>9,975,278</u>
	<u>\$12,394,446</u>	<u>\$10,342,375</u>

⁽¹⁾ In May 2009, the Board of Directors approved an inter-fund borrowing from the Raymond A. and Verna N. Young Endowment fund to operating cash in the amount of \$500,000. The purpose of the inter-fund borrowing was to address budget shortfalls and cash flow needs. Principal payments are to be repaid through budget surpluses over a term of five years. Interest expense on the borrowing is to be paid through operations. The remaining deficit shown above is a result of decreases in the investment's fair value due to market fluctuations (see Note 10). Subsequent to year-end, \$240,000 was paid from operating cash and applied to the inter-fund balance.

Investments without restrictions are maintained in funds as shown for the following purposes:

- The Raymond A. and Verna N. Young Endowment represents the funds originally designated for the construction of the Museum building. Since the construction has been completed, the funds became unrestricted for use in general operations of the Museum.
- The interest and unrealized investment gains generated from the Museum Legacy Endowment are unrestricted and available for use in general Museum operations.
- The Westheimer Family Endowment and related interest and unrealized investment gains generated from the funds are available for use for the Museum's programs and operations with first priority for the proper maintenance, display, and preservation of the Westheimer Family Collection.

Investments with restrictions are maintained in funds as shown for the following purposes:

- The Museum Acquisitions Trust and Beaux Arts Acquisitions Trust are temporarily restricted funds maintained for the purchase and maintenance of art objects for the Museum.
- The Thatcher Hoffman Smith Film Endowment includes funds maintained for the purpose of supporting the Museum's comprehensive film program. This is a permanent endowment, with the principal required to be maintained in perpetuity and the interest being expendable for the stated purpose of the fund.
- The Sarkeys Foundation Arts Education Endowment is maintained for education programming. Like the Thatcher Hoffman Smith Film Endowment, this is also a permanent endowment, with the principal required to be maintained in perpetuity and the interest being expendable for the stated purpose of the endowment.
- The Sonic America's Drive-In Arts Education Endowment is permanently restricted for education programming.
- The Museum Legacy Endowment includes funds solicited from donors to provide for a permanent endowment for the Museum. The principal amount of these funds will not be expended. Interest and unrealized gains generated by the endowment principal may be used for general Museum operations.
- The Donald W. Reynolds Visual Arts Center Building Maintenance Endowment represents funds temporarily restricted for maintenance of the Museum in the Donald W. Reynolds Visual Arts Center facility. It is the Museum's intention to use only the income generated from the endowment principal for the maintenance and upkeep of the building as directed by the grant agreement.
- The Records Family Endowment was established as a permanent endowment to support Museum operations. The principal amount of these funds will not be expended. Distributions of interest and unrealized gains generated by the endowment principal may be used for general Museum operations.
- The retirement fund included funds solicited from donors to provide deferred compensation primarily for a select group of management and highly compensated employees. The retirement fund was temporarily restricted for this purpose. During the year ended June 30, 2010, the fund was paid and closed upon the retirement of these employees.

Investment income is reported net of related investment expenses. Investment expense was \$25,254 and \$29,614 for the years ended June 30, 2010 and 2009, respectively.

Note 6 – Contributions to the Oklahoma City Community Foundation

A separate fund, the Oklahoma City Museum of Art Affiliated Fund (the Affiliated Fund), is established at the Oklahoma City Community Foundation (OCCF). Contributions received subsequent to July 1, 1991, by OCCF, which are designated to be invested to benefit the Museum, are placed in the Affiliated Fund. Investment decisions for the Affiliated Fund are made by a five-member panel that includes three representatives appointed by OCCF and two representatives appointed by the Museum's Board of Trustees. Income earned on the donated funds is paid to the Museum on a basis determined by the five-member panel. The principal amount of the Affiliated Fund cannot be distributed without the unanimous approval of the OCCF Board of Directors. As a result, OCCF has variance power and the Museum has not recorded these funds as an asset in its statement of position.

Funds held by OCCF on behalf of the Museum are as follows at June 30 at market value:

	<u>2010</u>	<u>2009</u>
Recognized in the Museum's financial statements as beneficial interest in assets held by OCCF:		
Oklahoma City Museum of Art Affiliated Fund	\$ 122,775	\$ 115,230
Fee Milligan Operating Endowment	1,590,585	1,496,397
The James C. and Virginia W. Meade Collections Endowment	949,881	845,416
Carolyn A. Hill Collections Endowment	<u>241,632</u>	<u>202,407</u>
	<u>2,904,873</u>	<u>2,659,450</u>
Funds held by OCCF with variance power retained by OCCF:		
Oklahoma City Museum of Art Affiliated Fund	3,442,517	3,226,907
Oklahoma City Museum of Art Acquisitions Fund	70,612	66,103
Pauline Morrison Ledbetter Fund	<u>231,873</u>	<u>207,913</u>
	<u>3,745,002</u>	<u>3,500,923</u>
Total funds held by OCCF on behalf or for the benefit of the Museum	<u>\$ 6,649,875</u>	<u>\$ 6,160,373</u>
Investment income distributed to the Museum by OCCF	<u>\$ 282,451</u>	<u>\$ 298,411</u>

The Fee-Milligan Operating Endowment (the Endowment) within the Affiliated Fund includes funds transferred by the Museum to OCCF, with the Museum designating itself as beneficiary of the fund. The Museum's Board of Trustees has authorized OCCF to manage the Endowment in the same manner as the Affiliated Fund assets, which effectively grants variance power to OCCF. However, as the Museum designated itself as beneficiary for the Endowment, the Museum recognizes a beneficial interest in the Endowment assets held by OCCF in its statements of financial position.

The market value of the entire Affiliated Fund, which includes the beneficial interest Endowment funds, was \$6,347,390 and \$5,886,357, at June 30, 2010 and 2009, respectively. As a result of OCCF's variance power over the funds contributed by unrelated donors, the Museum has not recorded the remaining value of the Affiliated Fund of \$3,442,517 and \$3,226,907 at June 30, 2010 and 2009, respectively, as an asset in the accompanying consolidated statements of financial position. Investment income distributed to the Museum from OCCF is classified as unrestricted support in the consolidated statements of activities.

In addition, OCCF maintains an account for funds designated for Museum acquisitions of art (the Designated Fund). Earnings are not distributed but, rather, are retained in the Designated Fund under the control of OCCF until requested by the Museum for an acquisition of art. By approval of OCCF, the expendable balance in the Designated Fund was \$19,338 and \$16,582 at June 30, 2010 and 2009, respectively, and is recorded in grants and accounts receivable in the consolidated statements of financial position.

In August 2006, the Museum entered into an endowment agreement with James C. and Virginia W. Meade (the Meades) to establish a permanent endowment named "*The James C. and Virginia W. Meade Collections Endowment*" for the purpose of supporting acquisitions for the Museum's collections and furtherance of the Museum's mission. Under the terms of this agreement (and a related agreement between the Meades, the Museum and the OCCF), the Meades pledged \$1,000,000 to the Museum to be contributed over a three-year period and invested in the Affiliated Fund at the OCCF. The annual distribution from the fund will generally be 5% of the average market value based upon certain restrictions intended to protect and preserve the original corpus of the endowment.

In May 2007, the OCCF received a direct gift of \$250,000 to establish the Pauline Morrison Ledbetter Fund to benefit OKCMOA. At the direction of the donor, this gift established an acquisitions endowment fund whereby two-thirds of the earnings of the funds are available for the purchase of art and sculpture for the Museum and the remaining one-third of earnings reinvested in the endowment. Because OCCF retains variance power over these funds and the gift was made directly to OCCF, the endowment is not recorded in the statement of financial position of OKCMOA. By approval of OCCF, the expendable balance in the Pauline Morrison Ledbetter Fund was \$7,450 and \$12,771 at June 30, 2009 and 2008, respectively, and is recorded in grants and accounts receivable in the consolidated statements of financial position.

In December 2008, the Museum established an endowment agreement with the OCCF to establish a permanent endowment named "*Carolyn A. Hill Collections Endowment*" for the purpose of supporting acquisitions for the Museum's collections. Under the terms of this agreement, the annual distribution from the fund will generally be 5% of the average market value based upon certain restrictions intended to protect and preserve the original corpus of the endowment.

Note 7 – Fair Value Measurements

During 2009, the Museum adopted the framework for measuring fair value in accordance with accounting standards that establishes a fair value hierarchy based on the observability of inputs used to measure fair value.

These inputs are summarized in the three broad levels listed below:

- Level 1 – quoted prices in active markets for identical securities.
- Level 2 – other significant observable inputs (including quoted prices for similar securities).
- Level 3 – significant unobservable inputs (including the Museum's own assumptions in determining the value of investments).

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The following table sets forth by level, within the fair value hierarchy, the Museum's assets at fair value as of June 30, 2010:

	Level 1	Level 2	Level 3	Total
Cash and equivalents	\$ 644,166	\$ -	\$ -	\$ 644,166
Equity investments	6,741,918	-	-	6,741,918
Fixed income securities	-	5,008,362	-	5,008,362
Beneficial interest in assets held at OCCF ⁽²⁾	-	2,904,873	-	2,904,873
Total assets at fair value	\$ 7,386,084	\$ 7,913,235	\$ -	\$ 15,299,319

The following table sets forth by level, within the fair value hierarchy, the Museum's assets at fair value as of June 30, 2009:

	Level 1	Level 2	Level 3	Total
Cash and equivalents	\$ 995,453	\$ -	\$ -	\$ 995,453
Equity investments	5,226,532	-	-	5,226,532
Fixed income securities	-	4,120,390	-	4,120,390
Beneficial interest in assets held at OCCF ⁽²⁾	-	2,659,450	-	2,659,450
Total assets at fair value	\$ 6,221,985	\$ 6,779,840	\$ -	\$ 13,001,825

⁽²⁾ See Note 6 for description of these assets measured at fair value.

Market volatility

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect net assets.

Note 8 – Property, Plant and Equipment

Property, plant and equipment consists of the following at June 30 at cost:

	2010	2009
Land	\$ 901,909	\$ 61,586
Building and improvements	20,627,806	20,627,806
Furniture and fixtures	1,391,473	1,391,472
Equipment	1,192,031	1,179,382
	24,113,219	23,260,246
Accumulated depreciation	(6,015,675)	(5,266,484)
	\$ 18,097,544	\$ 17,993,762

Note 9 – Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are available for the following purposes at June 30:

	2010	2009
Programming	\$ 534,997	\$ 248,260
Art acquisition	237,939	70,240
General Museum endowment	1,713,360	1,611,627
Employee retirement	-	230,934
Building maintenance endowment	3,239,050	2,979,468
	<u>\$ 5,725,346</u>	<u>\$ 5,140,529</u>

Permanently restricted net assets are designated for the following purposes at June 30:

	2010	2009
Film endowment	\$ 651,136	\$ 636,136
Art education endowment	750,350	750,350
Capital campaign-Museum endowment	5,796,264	5,796,264
Museum operations	307,840	307,840
Art acquisition	1,225,579	1,221,579
	<u>\$ 8,731,169</u>	<u>\$ 8,712,169</u>

As described in Note 5, the investment income on the Thatcher Hoffman Smith Film Endowment and the Sarkeys Foundation Arts Education Endowment can be expended for the stated purposes of each endowment. The investment income and unrealized gains on the Museum Legacy Endowment can be expended for general Museum operations. For the years ended June 30, 2010 and 2009, there was no interest income earned on permanently restricted endowments.

Note 10 – Donor Restricted and Board Designated Endowments

Board interpretation

The Board of Trustees has interpreted state law as requiring the preservation of the fair value of the gifts of the donor-restricted endowment funds unless explicit donor stipulations specify otherwise. To meet that objective, the Museum's endowment investment, management and distribution policies require that the corpus, meaning the fair value of the original and subsequent gifts as of the gift date, be maintained in perpetuity, with the earnings available to support the Museum's ongoing operations and programs.

State law allows the Board to appropriate or accumulate so much of an endowment fund as the Museum determines is prudent for the uses, benefits, purposes, and duration for which the endowment is established. The law requires the Board to prudently consider, if relevant, the general economic conditions, possible effect of inflation or deflation, expected total return, other resources of the institution, and the institution's investment policy.

Return objectives, risk parameters, strategies and spending policy

The principal goal of the Museum's investment program is to administer and invest funds received from donors in a prudent manner. The financial objective for the Museum's endowment funds is governed by guidelines specific to each separate investment portfolio. The overall financial objective is to maximize

the risk-adjusted investment return while maintaining adequate levels of liquidity. The Museum relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Risk of large losses is minimized by a diversified asset allocation. The current investment allocation of 55% equities and 45% fixed income, with quarterly performance reviews, is expected to achieve the long-term return objectives within prudent risk constraints.

Under the Investment Policy, the total return on investments is expected to exceed a benchmark consisting of the appropriate percent of the Standard & Poor's 500 Index and the Barclays Capital U.S. Government Bond Index that matches the equity and fixed income diversification of the portfolio over an average period of five consecutive years. The total return, after fees, from all unrestricted equity securities should equal or exceed the total return on the Standard & Poor's 500 Index over a period of five consecutive fiscal years.

Under the Museum's endowment distribution policy, the amount available for appropriation each year is 5% of the average market value of the endowment at the end of each of the last 12 calendar quarters, provided that the appropriation would not cause the remaining market value of the endowment fund to be less than the corpus. This policy is expected to allow for real growth in addition to building the endowments through new gifts and return on investment.

⁽³⁾ Historically, this fund has been classified as a temporarily restricted fund, however, in 2009 the Museum received further direction from the donor, resulting in this fund being reclassified as a permanently restricted fund as of June 30, 2009.

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or state law requires the Museum to retain as a fund of perpetual duration. In accordance with accounting principles, deficiencies of this nature that are reported in unrestricted net assets were \$122,692 and \$729,280 as of June 30, 2010 and 2009, respectively. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions and continued appropriation for certain programs that was deemed prudent by the Board of Directors.

Note 11 – Note Payable

In August 2009, Museum Parking, LLC, a wholly-owned subsidiary of the Museum, entered into an agreement to purchase a tract of land in the vicinity of the Museum's building currently functioning as a parking facility. The purchase was financed through a local bank. The promissory note for \$835,000 matures October 1, 2012, with interest payable monthly at the 30 day LIBOR rate plus 2.5% (2.85% at June 30, 2010).

Note 12 – Allocation of Expenses

OKCMOA allocates salaries and wages based on actual staff position. Administrative expenses are allocated to each area based on an estimate of usage. All remaining expenses are allocated based on actual expenditures for the function.

Note 13 – Employee Benefits

The Museum maintained a 403(b) Employee Salary Reduction Plan (the 403(b) Plan) which allowed employees to make savings contributions with pre-tax dollars. All full-time OKCMOA employees over age 18 were eligible to participate. Under the 403(b) Plan, the Museum did not make any contributions on behalf of participants. During 2010 all funds held in the Plan were distributed to plan participants.

In 2006, the Museum solicited contributions to enhance retirement benefits for its employees. During 2010 and 2009, the Museum did not receive any pledges in support of this program. At June 30, 2010 and 2009, \$500 and \$4,000, respectively, of these pledges are included in grants and contributions receivable with restrictions (see Note 4).

Effective January 1, 2006, the Museum established the Oklahoma City Museum of Art 457(b) Deferred Compensation Plan (the 457(b) Plan), which is intended to provide deferred compensation primarily for a select group of management and highly compensated employees covered by the 457(b) Plan. Eligible participants may make elective deferrals and the Museum, upon approval of the Board of Trustees, may make employer contributions. During the years ended June 30, 2010 and 2009, the Museum approved elective deferrals of \$16,500 and \$66,876, respectively, to the 457(b) Plan.

Effective January 1, 2007, the Museum established the Oklahoma City Museum of Art 401(k) Retirement Plan (the 401(k) Plan), which is offered to all employees of the Museum and the Café. Employees who have completed one year of credited service (as defined) and are at least 21 years of age are eligible to participate in the 401(k) Plan. In addition to employee elective deferrals into the 401(k) Plan, the Museum may make a matching contribution at the discretion of the Board of Trustees. Matching and other contributions by the Museum vest gradually over a six-year period. All reasonable expenses incurred in administering the 401(k) Plan are paid out of the principal or interest of the 401(k) Plan assets. The Museum may pay any such expenses of the 401(k) Plan at its discretion. During the years ended June 30, 2010 and 2009, the Museum approved matching or other retirement contributions of \$52,259 and \$73,036, respectively, to the 401(k) Plan.

Note 14 – Museum of Art Café

Under the Café's operating statement, all costs and expenses of the Café's operations are the responsibility of the Café. However, if the Café incurs operating costs in excess of revenues from its operations (measured on a cash basis), the Museum may advance funds to the Café. No funds were advanced to the Café in 2010 or 2009.

Note 15 – Commitments

During the years ended June 30, 2010 and 2009, the Museum entered into contractual agreements with certain art exhibit leasing organizations for future exhibits. Exhibit lease commitments for the year ending June 30, 2011, are \$99,600. The Museum is soliciting contributions and other sources of support to fund these commitments.

Note 16 – Subsequent Events

Management has evaluated all subsequent events occurring since June 30, 2010, through October 5, 2010, the date of the independent auditors' report. There have been no subsequent events that would require changes to the accompanying financial statements or disclosures therein.
